WOMEN IN SERVICE

CELEBRATING WOMEN WHO SERVE AND

Milwaukee Soldiers Home

Women have been essential to the Soldiers Home since its founding. In the aftermath of the Civil War, Milwaukee women raised funds, secured land, and rallied public support to create a place where wounded and disabled veterans could receive care and refuge. That legacy of service continues today as a new generation comes together to help carry this nationally significant landmark into its next chapter.

Women in Service celebrates the many ways women serve - in uniform, in leadership, through philanthropy, and across our Milwaukee community. The luncheon will bring together distinguished voices and civic leaders for an inspiring program benefiting the campaign to preserve and revitalize the Milwaukee Soldiers Home.

Proceeds from Women in Service will support the restoration of Ward Memorial Theater, the Soldiers Home Chapel, and the Governor's Mansion - three historic buildings being renewed as spaces dedicated to veterans, the arts, and healing. Together, they will expand access to supportive services, restore places for reflection and connection, and create new opportunities for veterans and the broader Milwaukee community to gather.
